Honorable Board of Commissioners
Housing Authority of the
County of Los Angeles
383 Kenneth Hahn Hall of Administration
500 West Temple Street
Los Angeles, California 90012

Dear Commissioners:

**APPROVE SECURITY SERVICES CONTRACT FOR UJIMA VILLAGE HOUSING
DEVELOPMENT (2)
(3 Vote)**

IT IS RECOMMENDED THAT YOUR BOARD:

1. Find that security services to be performed at the Ujima Village housing development, located at 941 East 126th Street in unincorporated Los Angeles County, are excluded from provisions of the California Environmental Quality Act (CEQA), because these services do not have the potential for causing a significant effect on the environment.
2. Approve and authorize the Executive Director of the Housing Authority to execute a one-year Contract with Platt Security, Inc., presented in substantially final form, for security services at the Ujima Village housing development, and to use for this purpose \$97,605 in Ujima Village Operating Funds allocated by the U.S. Department of Housing and Urban Development (HUD), to be effective upon Board approval.

3. Authorize the Executive Director to approve Contract amendments for unforeseen security services needs, in an amount not to exceed \$24,401, using Ujima Village Operating Funds allocated by HUD, and to execute all related documents.

4. Authorize the Executive Director to extend the Contract for a maximum of two years, in one-year increments, at a cost of \$97,605 per year, using Ujima Village Operating Funds allocated by HUD, and to incorporate the funds into the Housing Authority's approved budget as needed.

PURPOSE/JUSTIFICATION OF RECOMMENDED ACTION:

The purpose of this action is to approve a Contract for security services at the Ujima Village housing development.

FISCAL IMPACT/ FINANCING:

There is no impact on the County general fund. The one-year Contract will be funded with \$97,605 in Ujima Village Operating Funds allocated by HUD and included in the Housing Authority's approved Fiscal Year 2004-2005 budget. A 25 percent contingency, in the amount of \$24,401, is also being set aside for unforeseen costs, using the same source of funds.

The Contract may be extended for an additional two years, in one-year increments, at a cost of \$97,605 per year, to be funded with Ujima Village Operating funds allocated by HUD.

FACTS AND PROVISIONS/LEGAL REQUIREMENTS:

The Ujima Village housing development is a 300-unit family and senior complex in the unincorporated Willowbrook area of Los Angeles County, which provides housing for nearly 700 residents. In the past, the Housing Authority has contracted with the Los Angeles County Sheriff's Department for supplemental law enforcement services at Ujima Village. To continue supplemental law enforcement services, the Sheriff's Department requested that the Housing Authority commit to a one-year contract. However, the Housing Authority anticipates transferring property management of Ujima Village sometime after September 2005.

Under the proposed Contract, the Housing Authority can terminate or transfer the Contract upon transferring ownership of Ujima Village, ensuring the continuation of a

safe living environment for the residents of Ujima Village for the remainder of the time the Housing Authority expects to own and manage the housing development.

Platt Security, Inc. will provide an estimated 3,530 flexible hours of security services. Services will include: patrol of the development by car, bike, and on foot; initiation of a community policing program with residents; responding to complaints and emergency calls for help; issuing parking and traffic citations; identifying persons involved in gang- and drug use-related activities; conducting regular, special, and undercover investigations; making felony and misdemeanor arrests; making daily and monthly reports to Housing Authority management; and attending monthly Anti-Drug/Gang Task Force meetings and other meetings as requested by the Housing Authority. Services would be performed by two officers, each working 40 hours per week.

Platt Security, Inc. has also performed special law enforcement services at the Carmelitos housing development under separate contracts since 1990.

The proposed services are being federally funded, and are not subject to the requirements of the Greater Avenues for Independence (GAIN) or the General Relief Opportunity for Work (GROW) Programs implemented by the County of Los Angeles. Instead, Platt Security Inc. must comply with Section 3 of the Housing and Community Development Act of 1968, as amended, which requires that employment and other economic opportunities generated by certain HUD assistance be directed to low- and very low-income persons, particularly to persons who are recipients of HUD housing assistance.

On August 25, 2004, the Housing Commission recommended approval of the Contract award. The attached Contract has been reviewed by County Counsel.

ENVIRONMENTAL DOCUMENTATION:

The Contract for Security Services is excluded from the provisions of the National Environmental Policy Act (NEPA) 24 Code of Federal Regulations Part 58 Section 58.34 (a)(4) , because it involves activities that will not alter existing environmental conditions. It is also exempt from the provisions of CEQA pursuant to State CEQA Guidelines 15061 (b)(3) because the activities are covered by the general rule that CEQA applies only to projects which have the potential for causing a significant effect on the environment.

CONTRACTING PROCESS:

On April 19, 2004 the Housing Authority initiated a Request for Proposals (RFP) process to identify a qualified security services firm to provide the needed services. Notices of the RFP were mailed to 80 security services firms identified from the Housing

Authority's vendor list. Announcements also appeared in eight local newspapers and on the County web site. Twenty-four proposal packages were requested and distributed. On May 20, 2004, five proposals were received and formally opened.

A four-member panel, comprised of Housing Authority staff, reviewed the proposals according to the following criteria: Extent of experience in providing services to residents of affordable and public housing; experience in addressing drug and gang problems and in implementing community policing programs; experience with large, multi-family developments; relationships with law enforcement and criminal justice agencies; experience of individuals to be assigned to the housing development; ability to secure and maintain required insurances; reasonable budget; and references. Based on the above criteria, Platt Security Inc. was determined to be the most qualified to perform security services at Ujima Village and is being recommended for the contract award.

The Summary of Outreach Activities is provided with this letter as Attachment A.

IMPACT ON CURRENT PROJECT:

This Contract will continue security services at the Ujima Village housing development to ensure a safe and secure environment for the residents.

Respectfully submitted,

CARLOS JACKSON
Executive Director

29. Section 3 of the Housing and Community Development Act of 1968, As Amended, 12 U.S.C. 1701u Et Seq.

Contractor shall comply with Section 3 of the Housing and Community Development Act of 1968, As Amended, 12 U.S.C. 1701u Et Seq., which requires that to the greatest extent feasible opportunities for training and employment be given to lower income residents of the project area and contracts for work in connection with the project be awarded to business concerns which are located in or owned in substantial part by persons residing in the area of the project.

The work to be performed under this Contract is subject to the requirements of Section 3 of the Housing and Community Development Act of 1968, as amended, 12 U.S.C. 1701u (Section 3). The purpose of Section 3 is to ensure that employment and other economic opportunities generated by HUD assistance or HUD-assisted projects covered by Section 3, shall, to the greatest extent feasible, be directed to low- and very low-income persons, particularly persons who are recipients of HUD assistance for housing.

The parties to this Contract agree to comply with HUD's regulations in 24 CFR, part 135, which implement Section 3. As evidenced by their execution of this Contract, the parties to this Contract certify that they are under no contractual or other impediment that would prevent them from complying with the part 135 regulations.

The Contractor agrees to send to each labor organization or representative of workers with which the Contractor has a collective bargaining agreement or other understanding, if any, a notice advising the labor organization or workers' representative of the Contractor's commitments under this Section 3 clause, and will post copies of the notice in conspicuous places at the work site where both employees and applications for training and employment positions can see the notice. The notice shall describe the Section 3 preference, shall set forth minimum number and job titles subject to hire, availability of apprenticeship and training positions, the qualifications for each; and the name and location of the persons(s) taking applications for each of the positions; and the anticipated date the work shall begin.

The Contractor agrees to include this Section 3 clause in every subcontract subject to compliance with regulations in 24 CFR part 135, and agrees to take appropriate action, as provided in an applicable provision of the subcontract or in this Section 3 clause, upon a finding that the subcontractor is in violation of the regulations in 24 CFR part 135. The Contractor will not subcontract with any subcontractor where the Contractor has notice or knowledge that the subcontractor has been found in violation of the regulations in 24 CFR part 135.

The Contractor will certify that any vacant employment positions, including training positions, that are filled (1) after the Contractor is selected but before the Contract is executed and (2) with persons other than those to whom the regulations of 24 CFR part 135 require employment opportunities to be directed, were not filled to circumvent the Contractor's obligations under 24 CFR part 135.

Non-compliance with HUD's regulations in 24 CFR part 135 may result in sanctions, termination of this Contract for default, and debarment or suspension from future HUD-assisted contracts.

With respect to work performed in connection with Section 3 covered Indian housing assistance, section 7(b) of the Indian Self-Determination and Education Assistance Act (25 U.S.C. 450e) also applies to the work to be performed under this contract. Section 7(b) requires that to the greatest extent feasible (i) preference and opportunities for training and employment shall be given to Indians, and (ii) preference in the award of contracts and subcontracts shall be given to Indian organizations and Indian-owned Economic Enterprises. Parties to this Contract that are subject to the provisions of Section 3 and Section 7(b) agree to comply with Section 3 to the maximum extent feasible, but not in derogation of compliance with section 7(b).

Ninety (90) days prior to completion of each annual term the contractor/subcontractor shall prepare a Section 3 Compliance Report and submit it to the Housing Authority. This is a prerequisite to having the contract extended into an additional one-year term.

Compliance Requirements are found in the Addendum "U.S. Department of Housing and Urban Development Section 3 Compliance Program Documents" attached to the Request for Bids

30. Age Discrimination Act of 1975 and Section 504 of the Rehabilitation Act of 1973

No person in the United States shall be excluded from participating in, denied the benefits of, or subject to discrimination under this agreement on the basis of age or with respect to an otherwise qualified disabled individual.

31. Federal Lobbyist Requirements

The Contractor is prohibited by the Department of Interior and Related Agencies Appropriations Act, known as the Byrd Amendments, and HUD's 24 CFR 87, from using federally appropriated funds for the purpose of influencing or attempting to influence an officer or employee of any agency, a Member of Congress, an officer or employee of Congress, or an employee of a Member of Congress in connection with the awarding of any Federal contract, the making of any Federal grant, loan or cooperative agreement, and any extension, continuation, renewal, amendment or modification of said documents.

The Contractor must certify in writing that they are familiar with the Federal Lobbyist Requirements and that all persons and/or subcontractors acting on behalf of the Contractor will comply with the Federal Lobbyist Requirements.

Failure on the part of the Contractor or persons/subcontractors acting on behalf of the Contractor to fully comply with the Federal Lobbyist Requirements shall be subject to civil penalties.

32. Contractor's Warranty of Adherence to Authority's Child Support Compliance Program

The Contractor acknowledges that the Authority has established a goal of ensuring that all individuals who benefit financially from the County or the Authority through contract are in compliance with their court-ordered child, family and spousal support obligations in order to mitigate the economic burden otherwise imposed upon the County and its taxpayers.

As required by the Authority's Child Support Compliance Program and without limiting Contractor's duty under this Contract to comply with all applicable provisions of law, the Contractor warrants that it is now in compliance and shall during the term of this Contract maintain compliance with employment and wage reporting requirements as required by the Federal Social Security Act (42 USC Section 653a) and California Unemployment Insurance Code Section 1088.5, and shall implement all lawfully served Wage and Earnings Assignment for Child or Spousal Support, pursuant to Code of Civil Procedure Section 706.031 and Family Code Section 5246(b).

33. Termination For Breach of Warranty to Maintain Compliance with Authority's Child Support Compliance Program

Failure of the Contractor to maintain compliance with the requirements set forth in Paragraph 32 "Contractor's Warranty of Adherence to Authority's Child Support Compliance Program" shall constitute a default by the Contractor under this Contract. Without limiting the rights and remedies available to the Authority under any other provision of this Contract, failure to cure such default within

ninety (90) days of notice by the Los Angeles County Child Support Services Department (CSSD) shall be grounds upon which the Board of Commissioners may terminate this Contract pursuant to Paragraph 16, "Termination for Cause".

34. Post Most Wanted Delinquent Parents List

The Contractor acknowledges that the Authority places a high priority on the enforcement of child support laws and the apprehension of child support evaders. The Contractor understands that it is the Authority's policy to encourage Contractor to voluntarily post a list entitled "L.A.'s Most Wanted: Delinquent Parents" poster in a prominent position at the Contractor's place of business. The CSSD will supply the Contractor with the poster to be used.

35. Use of Recycled-Content Paper Products

Consistent with the Los Angeles County Board of Supervisor's policy to reduce the amount of solid waste deposited at the County landfills, the Contractor agrees to use recycled-content paper to the maximum extent possible on this project.

36. Energy Efficiency

The Contractor shall comply with all standards and policies relating to energy efficiency which are contained in the State conservation plan issued in compliance with the Energy Policy and Conservation Act (Pub. L. 94-163) for the State in which the work under this Contract is performed.

37. Contractor Responsibility and Debarment

- a. A responsible contractor is a contractor who has demonstrated the attribute of trustworthiness, as well as quality, fitness, capacity and experience to satisfactorily perform the contract. It is the policy of the Authority to conduct business only with responsible contractors.
- b. The Contractor is hereby notified that, if the Authority acquires information concerning the performance of the Contractor on this or other contracts which indicates that the Contractor is not responsible, the Authority may, in addition to other remedies provided in the contract, debar the Contractor from bidding on Authority contracts for a specified period of time not to exceed three (3) years, and terminate any or all existing contracts the Contractor may have with the Authority.
- c. The Authority may debar a contractor if the Board of Commissioners finds, in its discretion, that the contractor has done any of the following: (1) violated any term of a contract with the Authority, (2) committed any act or omission which negatively reflects on the contractor's quality, fitness or

capacity to perform a contract with the County, the Commission or the Authority or any other public entity, or engaged in a pattern or practice which negatively reflects on same, (3) committed an act or offense which indicates a lack of business integrity or business honesty, or (4) made or submitted a false claim against the County, the Commission or the Authority or any other public entity.

- d. If there is evidence that the Contractor may be subject to debarment, the Authority will notify the Contractor in writing of the evidence which is the basis for the proposed debarment and will advise the Contractor of the scheduled date for a debarment hearing before the Contractor Hearing Board.
- e. The Contractor Hearing Board will conduct a hearing where evidence on the proposed debarment is presented. The Contractor and/or the Contractor's representative shall be given an opportunity to submit evidence at that hearing. After the hearing, the Contractor Hearing Board shall prepare a proposed decision, which shall contain a recommendation regarding whether the Contractor should be debarred, and, if so, the appropriate length of time of the debarment. If the Contractor fails to avail itself of the opportunity to submit evidence to the Contractor Hearing Board, the Contractor may be deemed to have waived all rights of appeal.
- f. A record of the hearing, the proposed decision and any other recommendation of the Contractor Hearing Board shall be presented to the Board of Commissioners. The Board of Commissioners shall have the right to modify, deny or adopt the proposed decision and recommendation of the Contractor Hearing Board.
- g. These terms shall also apply to subcontractors of Authority contractors.

38. Jury Service Program

- a. Unless Contractor has demonstrated to the Authority's satisfaction either that Contractor is not a "Contractor" as defined under the Jury Service Program or that Contractor qualifies for an exception to the Jury Service Program, Contractor shall have and adhere to a written policy that provides that its Employees shall receive from the Contractor, on an annual basis, no less than five (5) days of regular pay for actual jury service. The policy may provide that Employees deposit any fees received for such jury service with the Contractor or that the Contractor deduct from the Employee's regular pay the fees received for jury service.
- b. For purposes of this Section, "Contractor" means a person, partnership, corporation or other entity which has a contract with the Authority or a subcontract with an Authority contractor and has received or will receive

an aggregate sum of \$50,000 or more in any 12-month period under one or more Authority contracts or subcontracts. "Employee" means any California resident who is a full time employee of Contractor. "Full time" means 40 hours or more worked per week, or a lesser number of hours if: 1) the lesser number is a recognized industry standard as determined by the County, or 2) Contractor has a long-standing practice that defines the lesser number of hours as full-time. Full-time employees providing short-term, temporary services of ninety (90) days or less within a 12-month period are not considered full-time for purposes of the Jury Service Program. If Contractor uses any subcontractor to perform services for the Authority under the Contract, the subcontractor shall also be subject to the provisions of this Section. The provisions of this Section shall be inserted into any such subcontract agreement and a copy of the Jury Service Program shall be attached to the agreement.

- c. If Contractor is not required to comply with the Jury Service Program when the Contract commences, Contractor shall have a continuing obligation to review the applicability of its "exception status" from the Jury Service Program, and Contractor shall immediately notify the Authority if Contractor at any time either comes within the Jury Service Program's definition of "Contractor" or if Contractor no longer qualifies for an exception to the Program. In either event, Contractor shall immediately implement a written policy consistent with the Jury Service Program. The Authority may also require, at any time during the Contract and at its sole discretion, that Contractor demonstrate to the Authority's satisfaction that Contractor either continues to remain outside of the Jury Service Program's definition of "Contractor" and/or that Contractor continues to qualify for an exception to the Program.
- d. Contractor's violation of this Section of the Contract may constitute a material breach of the Contract. In the event of such material breach, Authority may, in its sole discretion, terminate the Contract and/or bar Contractor from the award of future Authority contracts for a period of time consistent with the seriousness of the breach.

39. a. Notice to Employees regarding The Safely Surrendered Baby Law

The Contractor shall notify and provide to its employees, and shall require each subcontractor to notify and provide to its employees, a fact sheet regarding the Safely Surrendered Baby Law, its implementation in Los Angeles County, and where and how to safely surrender a baby. The fact sheet is available on the Internet at www.babysafela.org for printing purposes.

b. Contractor's Acknowledgement of Authority's Commitment to the Safely Surrendered Baby Law

The Contractor acknowledges that the Authority places a high priority on the implementation of the Safely Surrendered Baby Law. The Contractor understands that it is the Authority's policy to encourage all Authority contractors to voluntarily post the Los Angeles County's "Safely Surrendered Baby Law" poster in a prominent position at the Contractor's place of business. The

Contractor will also encourage its Subcontractors, if any, to post this poster in a prominent position in the Subcontractor's place of business. The Los Angeles County's Department of Children and Family Services will supply the Contractor with the poster to be used.

40. Access and Retention of Records

Contractor shall provide access to the Authority, the Federal Grantor agency, the Comptroller General of the United States, or any of their duly authorized representatives to any books, documents, papers and records of the Contractor which are directly pertinent to the specific contract for the purpose of making audits, examinations, excerpts and transcriptions. The Contractor is required to retain the aforementioned records for a period of five (5) years after the Authority pays final payment and other pending matters are closed under this Contract.

41. Conflict of Interest

The Contractor represents, warrants and agrees that to the best of its knowledge, it does not presently have, nor will it acquire during the term of this Contract, any interest direct or indirect, by contract, employment or otherwise, or as a partner, joint venturer or shareholder (other than as a shareholder holding a one percent (1%) or less interest in publicly traded companies) or affiliate with any business or business entity that has entered into any contract, subcontract or arrangement with the Authority. Upon execution of this Contract and during its term, as appropriate, the Contractor shall disclose in writing to the Authority any other contract or employment during the term of this Contract by any other persons, business or corporation in which employment will or may likely develop a conflict of interest between the Authority's interest and the interests of the third parties.

42. Confidentiality

The Contractor shall maintain strict confidentiality in accordance with all applicable State and Federal laws and the Authority's regulations and rules. The Contractor agrees to keep files and documents related to this Contract in strict confidence and agrees not to publish, reproduce or otherwise divulge such information in whole or in part, in any manner or form, or to authorize or permit unauthorized access to the subject information.

43. Copyright

No report, maps, or other documents produced in whole or in part under this Contract shall be the subject of an application for copyright by or on behalf of the Contractor. All documents become the property of the Authority and the Authority holds all rights to said data.

44. Severability

In the event that any provision herein contained is held to be invalid, void, or illegal by any court of competent jurisdiction, the same shall be deemed severable from the remainder of this Contract and shall in no way affect, impair or invalidate any other provision contained herein. If any such provision shall be deemed invalid due to its scope or breadth, such provision shall be deemed valid to the extent of the scope or breadth permitted by law.

45. Interpretation

No provision of this Contract is to be interpreted for or against either party because that party or that party's legal representative drafted such provision, but this Contract is to be construed as if it were drafted by both parties hereto.

46. Waiver

No breach of any provision hereof can be waived unless in writing. Waiver of any one breach of any provision shall not be deemed to be a waiver of any breach of the same or any other provision hereof.

All notices or demands required or permitted to be given or made under this Contract unless otherwise specified, shall be in writing and shall be addressed to the parties at the previously noted addresses and delivered: (i) by hand with signed receipt, (ii) by first-class registered or certified mail, postage prepaid, or (iii) by facsimile or electronic mail transmission followed within twenty-four (24) hours by a confirmation copy mailed by first-class registered or certified mail, postage prepaid.

Notices shall be deemed given at the time of signed receipt in the case of hand delivery, three (3) days after deposit in the United States mail as set forth above, or on the date of facsimile or electronic mail transmission if followed by timely confirmation mailing.
